

Numbeanie Fact Families

Game Sheet

	1	2	3	4	5
The Numbeanie fact is	$\square + \square = \square$	$\square + \square = \square$	$\square + \square = \square$	$\square + \square = \square$	$\square + \square = \square$
The rest of the Numbeanie fact family	$\square + \square = \square$	$\square + \square = \square$	$\square + \square = \square$	$\square + \square = \square$	$\square + \square = \square$
	$\square - \square = \square$	$\square - \square = \square$	$\square - \square = \square$	$\square - \square = \square$	$\square - \square = \square$
Check	$\square - \square = \square$	$\square - \square = \square$	$\square - \square = \square$	$\square - \square = \square$	$\square - \square = \square$
