Numbers to 20 – count on and back

You will need:  some partners and a helper  counters

What to do:

Ask your helper to turn away. Each player, put a different coloured counter onto the track below.

When you are ready, tell your helper and they will call out a number between 1 and 20.

If your counter is on that number, you score 3 points. If your counter is closest to the number you score 2 points. If more than one of you are on the number or close to it, you score 1 point. Your helper will assist you with this.

Play until one lucky player scores 10 points.
